

Toshiba Thrive Battery Replacement

If the battery is damaged or swollen, it can easily be removed for replacement.

Written By: Kason

INTRODUCTION

This guide will show you how to replace your Thrive's battery.

Step 1 — Back Cover

- Make sure the lock switch for the back cover is unlocked.
- The cover is unlocked when the switch is slid in the direction of the 'unlock' icon.

Step 2

- Remove back cover by prying away from the Thrive.
- The easiest place to pry from is one of the two speakers.

Step 3

- To remove the battery, make sure the lock switch is in the unlocked position.
- The battery is unlocked when the switch is slid to the unlocked position.

Step 4

- Slide the battery switch release to the right.
- While holding the switch in place, lift up the battery.

To reassemble your device, follow these instructions in reverse order.
